THE WMMS EXPERIENCE

◆ MORE THAN A CONFERENCE. ◆
A GLOBAL BUSINESS ECOSYSTEM.

WMMS UAE Edition is designed to bring together the entire metals and mining value chain on a single virtual platform. From thought leadership and market intelligence to business networking and strategic partnerships, every interaction is built to create meaningful business opportunities across borders.

GLOBAL CONFERENCE

Hear from industry leaders, policymakers and market experts discussing the trends shaping the future of metals and mining.

KNOWLEDGE EXCHANGE

Gain valuable insights into emerging technologies, market outlooks, sustainability, trade and innovation.

BUSINESS MATCHMAKING

Pre-scheduled B2B meetings connecting buyers, sellers, manufacturers, traders and solution providers.

INNOVATION SHOWCASE

Discover cutting edge technologies, products and solutions transforming the global metals ecosystem.

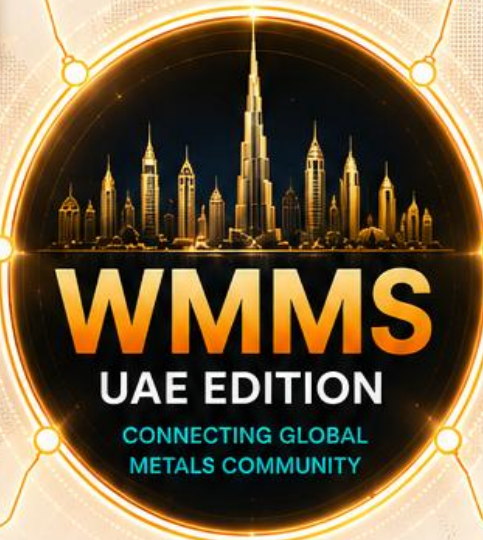

INTERNATIONAL NETWORKING

Expand your professional network through structured networking sessions with participants from across the globe.

BUSINESS GROWTH

Generate qualified business leads, explore partnerships and unlock new opportunities in international markets.

CREATE.

Ideas. Innovation.

STRATEGIC DISCUSSION THEMES

CONVERSATIONS THAT DRIVE THE FUTURE
OF GLOBAL METALS & MINING

1. GLOBAL STEEL & RAW MATERIAL OUTLOOK

Market outlook, demand, trade flows and supply chain trends.

2. COMMODITY TRADING & PRICE RISK MANAGEMENT

Trading trends, market intelligence, price volatility and hedging strategies.

3. MINING INVESTMENT & CRITICAL MINERALS

Investment opportunities, exploration trends and securing future supply.

4. FERRO ALLOYS & STEELMAKING RAW MATERIALS

Market dynamics, supply outlook and evolving demand drivers.

5. GREEN STEEL & INDUSTRIAL DECARBONISATION

Low-carbon technologies, hydrogen, ESG strategies and sustainable future.

6. DIGITAL TRANSFORMATION & AI IN METALS

AI, automation, Industry 4.0 and smart operations for a competitive edge.

7. GLOBAL LOGISTICS, PORTS & SUPPLY CHAINS

Shipping, ports, freight, warehousing and building resilient supply chains.

8. CROSS-BORDER TRADE & INTERNATIONAL PARTNERSHIPS

Trade policies, new corridors and strengthening global partnerships.

9. ESG, RESPONSIBLE SOURCING & CIRCULAR ECONOMY

Responsible sourcing, circular models and sustainable value creation.

10. FUTURE OF METALS MARKETS

Geopolitics, emerging trends, innovation and long-term outlook.

INSIGHTS. CONNECTIONS. OPPORTUNITIES.
SHAPING A STRONGER GLOBAL INDUSTRY.

NETWORK BEYOND THE CONFERENCE

**BUILD MEANINGFUL CONNECTIONS
BEFORE, DURING & AFTER THE SUMMIT**

A BUSINESS COMMUNITY THAT STAYS ACTIVE FOR 30 DAYS

Your networking doesn't end when the sessions conclude.

Every registered participant gets exclusive access to the WMMS networking community for **30 days**, enabling continuous engagement, conversations and business development.

SHARE BUSINESS REQUIREMENTS

Post your buying, selling or sourcing requirements with the entire community.

SHOWCASE YOUR COMPANY

Upload company profiles, brochures, videos and product updates to increase visibility.

CONNECT PRIVATELY

Exchange direct messages with delegates, speakers and industry professionals.

SCHEDULE VIRTUAL MEETINGS

Book one-to-one video meetings at your convenience and continue business discussions.

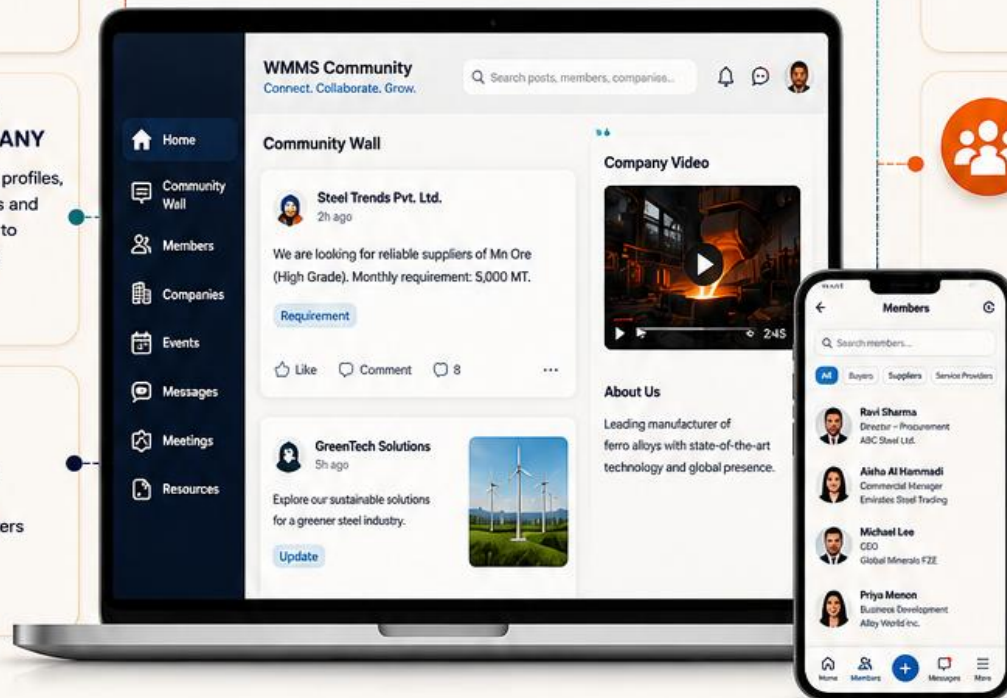

COMMUNITY FEED

Discover updates, announcements, opportunities and discussions from companies across the global metals & mining industry.

EXPAND YOUR NETWORK

Engage with decision makers, manufacturers, traders, technology providers and investors from around the world.
